

Science Fiction

(Ages 12-18)

A Matter of Profit

By Hilari Bell

Ahven is a soldier who hates to fight. His sister, Sabri is being forced to marry the emperor's loathsome son. Together they try to solve the mystery of the mysterious T'Chin and stop an assassination.

The City of Ember

By Jeane DuPrau

For 200 years the City of Ember thrived deep underground away from the problems of the world. Now, Lina and Doon must save Ember from a terrible fate, before it's too late.

The Time Machine

By H.G. Wells

Wells's classic novel of the future follows the Time Traveller as he hurtles one million years into the future and encounters the childlike Eloi and the disgusting Morlocks.

Virtual War

By Gloria Skurzynski

Corgan has been genetically engineered and coached to win a computer-manipulated virtual war that is just days away. The 14-year-old has never questioned his destiny – until now.

A Crack in the Line

By Michael Lawrence

Alaric and Naia both live at Withern rise and have both lost their mothers. What they do not – yet – realize is that they are living in parallel universes...

Life as We Knew It

By Susan Beth Pfeffer

After a meteor hits the moon, Miranda and others must survive tsunamis, earthquakes, and volcanic eruptions.

Interstellar Pig

By William Sleator

Barney escapes a summer of boredom by playing the game Interstellar Pig with his three strange neighbours. But he soon begins to suspect something sinister is going on...

The Keeper of the Isis Light

By Monica Hughes

Olwen is the Keeper of the Light on the unsullied planet of Isis, but she fears those from Earth will soon try and take over her beloved home planet.

The Secret Under My Skin

By Janet E. Mcnaughton

In the year 2368, humanity struggles to recuperate from a technocaust. Blay Raytee is a government work-camp orphan, who discovers a secret that could change the fate of the world.

The Last Book in the Universe

By Rodman Philbrick

In a world where most people are plugged into brain-drain entertainment systems, epileptic teenager Spaz is a rare human who can see life for what it really is.
