

Can you find the hidden items?

"The more you know, the more you can create. There's no end to imagination in the kitchen." – Julia Child

Can you find a fish, a superhero, the number 3, 1 car, 1 boot and a boat for gravy? There's a Canadian flag, and 2 OPL Library cards, a pink rubber band, and 2 pointy stars. Hiding still in this kitchen are 8 buttons and 2 cats, 6 corn cob screws and 1 shiny top hat. Before you clean up, can you find the silver leaf and 6 paperclips, 3 blue bands and 9 white icing tips?
